Name	
Class Year (F,S,Jr,Sr)	Jill Bouma, Soc 110, Soc Problems
Read the following statement: In 2005, the death rate state of Kentucky.	e for African Americans was higher than for Whites in the
<ol> <li>What is the dependent variable         in the above statement? [2 pts]</li> <li>death rate</li> <li>whites</li> <li>race/ethnicity</li> <li>Kentucky</li> </ol>	<ul><li>2) What is the independent variable in the above statement? [2 pts]</li><li>A. death rate</li><li>B. whites</li><li>C. race/ethnicity</li><li>D. Kentucky</li></ul>
For the following questions, please refer to the har information on fulltime, year-round workers in New I	<b>Indout</b> . Examine carefully the tables which present Mexico in 2000. Please answer the following: (2 pts each
3) How many fulltime workers are included in this sa	ample?
4) What percent of the fulltime labor force in New M	fexico is Hispanic?
5) What percentage of workers earn less than \$25,000	)?
True or False: (1 point each)	
6) 23.4% of Asians make less than \$15,000.	
7) 25.2% Whites and Blacks make less than	\$15,000.
8) 38% of Whites make between \$25,000 and	d \$50,000.
9) 4.6% of those making between \$50,000 ar	nd \$75,000 are American Indian.
Multiple Choice: (2 pts each)	
10) Which of the following is correct: (3 pts) A. 12.8% of those making less than \$15,000 are Non-B. 12.8% of Non-Hispanic whites make less than \$15 C. both A and B. D. none of the above.	<u> </u>
<ul><li>11) Which of the following is correct:</li><li>A) 41.6% of women work.</li><li>B) 41.6% of the work force is female</li><li>C) 41.6% of the US population is female.</li></ul>	
<ul><li>12) Compared to the population of the US workforce</li><li>A) overrepresents Blacks and Asians.</li><li>B) is disproportionately Hispanic and American India</li><li>C) has a larger proportion of Whites</li><li>D) has a larger proportion of Blacks</li></ul>	

13) Please describe the racial composition of fulltime, year-round workers in New Mexico: (4 pts)
14) Please describe the effect of gender on earnings in New Mexico (8 pts)
1) Trans assure in enterior of grants on emanage in the state (e.g.)
<ul><li>15. Please describe your comfort level when working with numbers:</li><li>A. I often work with numbers and enjoy it.</li></ul>
<ul><li>B. I have little experience working with numbers but am generally comfortable when I do.</li><li>C. I have little experience working with numbers and am not comfortable when I do.</li><li>D. Numbers scare the stew out of me, and I do my best to avoid them.</li></ul>

16. Please indicate how confident you feel about doing the following tasks. Mark the response that most accurately describes your confidence level for each item.

	Don't know what you're talking about	Not at all Confident	Not Very Confident	Somewhat Confident	Very Confident
Read and report basic frequencies in a table	Don't know	Not at all	Not very	Somewhat	Confident
Interpret numbers in a bivariate table	Don't know	Not at all	Not very	Somewhat	Confident
Convert raw data into formatted tables	Don't know	Not at all	Not very	Somewhat	Confident
Identify independent and dependent variables	Don't know	Not at all	Not very	Somewhat	Confident
Analyze the relationship between two variables	Don't know	Not at all	Not very	Somewhat	Confident
Tell a story using numbers	Don't know	Not at all	Not very	Somewhat	Confident

17. For part of this class, I will be teaching you how to read and construct tables, analyze data, and tell a story using numbers. Is there anything you would like me to know about your skills or interest when working with numbers?
